
ADA Companion List

SingUnited International strives to host inclusive, accessible events that enable all individuals to engage fully and enjoy themselves. For that purpose, there is a column labeled ADA Needs Code on the group registration lists for attendees to note if they need an accessible seat assignment to accommodate a walker, scooter, or wheelchair or visual impairment.

The ADA Needs Code: **SC** = Sitting in a Scooter **WC** = Wheelchair **V** = Visual Impairment.

WK = Using a Walker

C = Needs a Companion Seat

If you have multiple members with the need for an *ADA Companion Seat* (“C”) you may use this *ADA Companion List* to let us know who will be seated next to them. **Please note:** This list is only for registrants who need an *accessible seat with a designated helper or spouse*. *For Example*, Chorus member “Jane Smith” is sight-impaired and needs a companion to help her get around. Her sister Betsy Smith is her assistant.

1. Jane is registered via her chorus Member Chorus Group sheet on line 27. In the ADA Needs column on her registration, Jane also marked “**V, C**” for “Visually Impairment’ and ‘Needs a Companion Seat.’
2. Jane’s sister Betsy Smith will be registered as well.
3. On the table here, Jane is listed as attendee #27 and Betsy Smith as her Companion.

Attendee Registration Row #	Registered Attendee Name	Companion First and Last Name
<i>Row 27</i>	<i>Jane Smith (V, C)</i>	<i>Betsy Smith</i>

If there are any other needs that are not listed, please contact the Events Department at events@singunited.org so that we can work to accommodate those needs.
