

Nancy Bergman Legacy Society

Leaving your legacy...

Your gift may be made through a will, revocable trust or similar estate planning document. Deferred gifts can be directed to support any of the SingUnited International funds (programs to support). Donors providing written documentation that they have named SingUnited International in their estate plan are recognized as members of the Nancy Bergman Legacy Society.

To find out more about how you can create your own legacy through a planned estate gift to SingUnited International, contact Chief Philanthropy and Administrative Officer, Susan Smith, at philanthropy@singunited.org or call Toll Free at 1-800-992-7464.
