

MAY 1–JANUARY 15

Quartet Registrations: Registration fee is \$130 USD through January 15.

JANUARY 15

The quartet registration fee between January 16–March 31 will have an additional \$30 USD processing fee in addition to the \$130 USD registration fee. It is a one-time additional fee for quartets that register from January 16–March 31. The rest of the year, the quartet fee is \$130 USD only. That is why we recommend that quartets register by January 15.

JANUARY 16–MARCH 31
